

CAPABILITY STATEMENT

NetVilo LLC

4229 Lafayette Center DR STE 1750

Chantilly, Virginia 20151

CAGE Code: 20SM9 | **UEI:** MSRKHTJMJE35

ABOUT US

- More than 25 years of Federal IT Contracting Experience
- Experience in multiple large-scale IT Transformation Programs
- Experience in Enterprise IT & Healthcare IT
- Innovative AI, Cloud & Data offerings
- WOSB, SDB

CORE COMPETENCIES

IT OPERATIONS MANAGEMENT

- Network Infrastructure
- IT Service Management
- Test, Release & Change
- CI/CD Pipelines, Software Development Environment
- Reporting & Dashboarding

IT MODERNIZATION

- DevSecOps, Secure App Dev
- Agile Development
- Low Code, No Code Dev

HEALTHCARE IT

- Electronic Health Records (EHR) Integration
- Health Data Interoperability
- Health Data Security Standards
- PII/PHI Handling

CYBERSECURITY

- Security Architecture & Data Protection
- Identity, Credential & Access Management (ICAM)
- Network & Perimeter Defense
- Continuous Monitoring, Compliance & DevSecOps

ARTIFICIAL INTELLIGENCE

- LLM / Deep Learning
- Gen AI & Edge AI
- RPA
- Computer Vision
- Data Annotation
- Document Processing

DATA TECHNOLOGIES

- Data Lakes & Warehouse
- Data Cleansing & Validation
- Data Visualization

CLOUD TRANSFORMATION

- Multi-Cloud Engineering
- Cloud Migration
- Cloud Security
- Cloud Optimization
- Data Reliability Platform

SYSTEMS ENGINEERING

- Enterprise Systems Engineering & Modernization
- Requirements & Architecture Management
- Enterprise Integration & Interoperability
- Verification, Validation & Life-Cycle Sustainment

DIFFERENTIATORS

- **LogicVU** : Our Business Analytics & Data Visualization product that enables organizations to structure volumes of business data and build actionable information by identifying and connecting organizational KPIs
- **DataQVision™** : No-Code/ Low-Code **Data Reliability Platform** to enable data cleansing & validation through the Enterprise data pipelines
- **Cloudnometry™** : Generative AI-enabled SaaS platform for end-to-end multi-cloud management
- **Artificial Intelligence Solution Council (AISC)** : A consortium of AI-based companies and SMEs from Industry and Academia leading and developing cutting-edge AI solutions
- **Advanced Cloud Applications Center of Excellence (ACACE)**: Cloud Migration & Cloud Data Lakehouse Labs with POC Implementations
- **"Innovate Without Worries" Framework** : Integrated DevSecOps approach enabling agencies to adopt cloud and AI technologies with confidence

NAICS CODES

- 541511(P), 541512, 541513, 541519, 541611, 541618, 541690, 541715, 541720, 541990, 541330, 561110, 561210, 561320, 611420, 611430, 518210, 561110
